

ARLEIGH VAN VORHEES SCHOLARSHIP APPLICATION

Mrs. Arleigh Van Vorhees was a long time teacher of youth and a member of Westwood United Methodist Church. Mrs. Van Vorhees' dedication to youth and her positive impression of WUMC led her to donate a considerable portion of her estate to our church. With her bequest, the Foundation Committee established this scholarship as a way of honoring Mrs. Van Vorhees.

Scholarships are available to members of WUMC to help them with undergraduate or graduate college expenses. The amount of each individual award is dependent upon funds available, the number of applicants, and status (4-year school, 2-year school, full or part-time enrollment).

The Foundation Committee awards the scholarship after a review of the application. Applicants should provide adequate information to address these questions and provide additional appropriate information.

Applications must be submitted to the Westwood Foundation Committee by **May 12, 2023**. Notification of awards will be made by the end of May. The Foundation Committee will notify award recipients as soon as possible to assist with financial planning. Applicants will be contacted by phone if additional information is necessary for the Foundation Committee to process the funding request. Awards will be issued upon verification of acceptance to a particular institution.

For more information or to discuss the Scholarship program, please contact any of the following Foundation Committee members:
